1.1 How it works

We are an investment company that invests our client's fund into several high yielding businesses across the globe. We invest client's funds in Real Estate, Agriculture, Warehousing, Gold Investments, Oil & Gas, Loan & Grants, Crypto Trading and Stock,

then make enough profit to pay returns to our clients periodically based on the subscribed packages.

We specialize in investing in and managing large-scale farming operations to grow crops and livestock. Our services include acquiring and managing farmland, planting and harvesting crops, and selling the agricultural products to markets. We work with individuals and institutions to help them invest in the agriculture sector and benefit from its growth potential. Our goal is to help our clients achieve long-term financial returns while supporting sustainable agriculture practices.

We specialize in buying, managing, and selling properties to generate income and maximize returns for our clients. Our services include finding and acquiring investment properties, managing the day-to-day operations of the properties, and selling the properties when the time is right. We work with individuals and institutions to help them grow their wealth through strategic real estate investments.

Our main focus is to provide storage solutions for businesses and individuals, offering secure and cost-effective space for storing goods and equipment. This includes both short-term and long-term storage options, as well as a range of value-added services such as inventory management, order fulfillment, and transportation management. By providing warehousing services, we help businesses and individuals to streamline their operations, reduce costs, and improve their supply chain efficiency. We are dedicated to delivering high-quality service and ensuring that our customers' goods are always safe and secure in our facilities.

Assent Builders Limited is a company that deals in gold, which means they buy and sell gold as a commodity. This type of business is also known as gold trading, where they may trade gold bullions, coins, or other forms of physical gold, as well as gold-based financial products such as exchange-traded funds (ETFs). The value of gold is determined by its market price, which is influenced by a variety of factors, including supply and demand, macroeconomic conditions, and geopolitical events.

Assent Builders Limited is a company that deals in oil and gas, which means they are involved in the buying and selling of these resources. This type of business is also known as the oil and gas industry, and it involves a wide range of activities, from exploration and production to refining and distribution. The value of oil and gas is determined by the global market, and it is influenced by factors such as geopolitical events, supply and demand, and economic conditions.
